While no specific labor categories have been identified as being subject to the SCA due to exemptions for professional employees this contract still maintains the provisions and protections for SCA eligible labor categories. If and/or when the vendor adds SCA labor categories/employees to the contract through the modification process, the vendor understands that it must inform the Contracting Officer and establish a SCA matrix identifying the GSA labor category titles, the occupation code, SCA labor category titles and the applicable wage determination number. Failure to do so may result in cancellation of the contract.
